

COVID-19 SAFETY PLAN

- Increased appointment times to decrease the number of patients in our clinic at one time and to allow for increased cleaning time.
- Disallowed accompanying people, who arrive with patients, to remain in our waiting room and imposed a limit of 3 people in the waiting room at one time.
- Installed plexiglass to help protect patients and our reception staff
- Physiotherapists and R.M.T. will be wearing face masks and we encourage patients to bring their own or wear a provided mask.
- Implemented increased disinfecting measures to include our waiting room along with treatment rooms and gym.
- Displayed posters to instruct:
 - When individuals should not enter our premises
 - Proper hand hygiene
 - Limited capacity
